

St Chads Church Community Gardens Questionnaire

St Chads Church is an Eco Church and having reached our bronze award we are working towards our Silver award in the 5 areas that make up Eco Church

- Worship and teaching
- Management of church buildings
- Management of church land
- Community and global engagement
- Lifestyle

As part of this we are thinking about how we use the church grounds for the benefit of wildlife and the local community. We have a number of ideas around a community garden and making use of the woodland.

You can find details about the plans and ideas we have in the church hall or on our website stchadssuttoncoldfield/eco

1) Which if any of the following have you started doing since 2019?
(when we last asked people this question)

(please circle the one(s) you started doing since 2019)

Recycle paper, tins,
glass
